

Dear sir or madam

29-4-2012

Thank you very much for supporting my mother. I have see a different since you started supporting my family. We eat very well, also through in my hospitality I have a problem of my teeth. They were too painfull my mother took me to a dentist. And even you have supported me in my education and hospitality.

First term I was number three, then second term I was number eight and third term number three am trying to work hard to be number one or two next year when I want to go in form one in twenty fourteen in my education. Please continue with give needy organization. Please continue helping me and my family. And in hospitality and Education.

May God help you so much by family and support them in needy. May God help in your life and healthy.

Yours faithfully
Lynn Kovere
