

- Dear sir/madam,

My name is Nguyen Thi Van. Thanks for the help from the Give the Neely organization for me. I am very happy and appreciated for the support. It means so much to me and my daughters. It is ~~is~~ really a life changer for us. We had always lived in the stress of having enough food and also school expenses for my daughters. Now, the support ~~will~~ would reduce our stress and guarantee the sufficient daily basic food for three of us. I don't know how to show you my great appreciation for your help. Thanks again for all your support and kindness to my little family. I wish you and the organization the best for everything.

Sincerely,

Van
